The Yachtshare Program is a shared ownership program that has been designed to ensure satisfaction, confidence and has been created in an “easy to use” fashion.

The program provides you with an equal share in a brand new luxury sailing catamaran which is completely fitted with all you could ever need or want in a boat.

It is very simple to book the time you want on your yacht. It is as easy as going to the online booking calendar and reserving the days that you would like to use your boat. That is as hard as it gets.

The service that is provided to you by Yachtshare is to fully maintain your boat from the cleaning, to preparing the boat so that it is completely ready when you step on, to detailing, to always being fully fuelled.

The costs involved in the program include:

Once only purchase price for your share in the yacht

Monthly maintenance fee which includes:

- Insurance
- Cleaning
- Antifouling
- Routine maintenance
- Berthing
